You can not be married until the expiration of 72 hours from the date you purchase your license **unless** you are active duty military. Please look on the back of the license for the date the license becomes valid.

You must have your ceremony performed within 30 days of the date the license was purchased.

The person who performs your ceremony must return this license to us by mail or in person within 30 days of your marriage. It is against the law for you to return it. The license will then be recorded in our office and returned to you **within** 3 weeks after it is received in this office.

Your license will be recorded and returned to you in the fastest possible manner. Your license can not be rushed through ahead of everyone else. **DO NOT** call this office to ask if it can. There will be no exceptions.
