

Tom Green County Commissioners' Court
November 10th, 2004

The Commissioners' Court of Tom Green County, Texas, met in a Special Session November 10th, 2004 in the Edd B. Keyes Building, with the following members present:

Clayton Friend, Commissioner of Precinct #1
Karl Bookter, Commissioner of Precinct #2 **Absent**
Jodie R. Weeks, Commissioner of Precinct #3
Richard Easingwood, Commissioner of Precinct #4 **Absent**
Michael D. Brown, County Judge **Absent**

1. County Commissioner for Precinct 1, Clayton Friend, called the meeting to order at 9:00 AM for the purpose of canvassing the votes from the General Election held on November 2, 2004.

Molly Taylor, Elections Administrator, Ron Michulka, Democratic Party, Dennis McKerley, Republican Chairman were also present.

Ms. Taylor reported to the Court that the totals included 139 hand counted votes that had come in.

Commissioner Friend read Section 67.004 (a) of the Election Code which states "At the time set for convening the canvassing authority for the local canvass, the presiding officer of the canvassing authority shall deliver the sealed precinct returns to the authority. The authority shall open the returns for each precinct and canvass them as provided by this section. **Two members of the authority constitute a quorum for purposes of canvassing an election.**"

Commissioner Friend read each name and the number of votes cast into the record. Ms. Taylor verified the accuracy of the reading as being a total of the optical scanned numbers and the hand counted numbers.

Commissioner Friend moved to accept the canvass of the General Election held November 2nd, 2004 and the canvass held on November the 10th, 2004 at 9:00 AM in the Tom Green County Commissioners' Court Room. Commissioner Weeks seconded the motion and all voted in favor. (Recorded with these Minutes.)

Ms. Taylor explained to the Court that there were some software problems the night of the election regarding the media reports that were printed, but there were no problems with the Optical Scanning System, which the Secretary of State says is the official report.

Ron Michulka and Dennis McKerley stated that for the record they prefer to keep the current Optical Scan System in place instead of going to the DRE machines. The Optical Scanner has proven to work and the DRE machines are still being tested. "Don't need to fix what isn't broke."

Commissioner Friend adjourned the meeting at 9:17 AM.

I, Elizabeth McGill, County Clerk of Tom Green County, Texas do hereby attest that this is an accurate accounting of the proceedings of the Commissioners' Court Meeting that met in Special Session on November 10th, 2004.

I hereby set my hand and seal to this record November 23rd, 2004.

Elizabeth McGill, County Clerk and
Ex-officio Clerk of the Commissioners' Court

Sec. 67.004. Procedure for local canvass. (a) At the time set for convening the canvassing authority for the local canvass, the presiding officer of the canvassing authority shall deliver the sealed precinct returns to the authority. The authority shall open the returns for each precinct and canvass them as provided by this section.

Two members of the authority constitute a quorum for purposes of canvassing an election.

- (b) The canvassing authority shall prepare a tabulation stating for each candidate and for and against each measure:
- (1) the total number of votes received in each precinct; and
 - (2) the sum of the precinct totals tabulated under Subdivision (1).
- (c) The canvassing authority may prepare the tabulation as a separate document or may enter the tabulation directly in the local election register maintained for the authority. The authority shall attach or include as part of the tabulation the report of early voting votes by precinct received under Section 87.1231.
- (d) The canvassing authority may compare the precinct returns with the corresponding tally list. If a discrepancy is discovered between the vote totals shown on the returns and those shown on the tally list for a precinct, the presiding judge of the precinct shall examine the returns and tally list and make the necessary corrections on the returns.
- (e) On completion of the canvass, the presiding officer of the canvassing authority shall deliver the tabulation to the custodian of the local election register unless it is entered directly in the election register. The custodian shall preserve the tabulation for the period for preserving the precinct election records.
- (f) On completion of the canvass, the presiding officer of the canvassing authority shall deliver the precinct returns, tally lists, and early voting precinct report used in the canvass to the general custodian of election records. The custodian shall preserve them for the period for preserving the precinct election records.
